

# BLACK EAGLE® SAFETY 50 MID

Art. No. 620005

**CE EN ISO 20345:2011 S3 HRO HI CI WR SRC**

Waterproof leather, waterproof and extremely breathable with GORE-TEX® Extended, leg height 14,5 cm, antistatic, ESD, sole 019

**Available sizes UK 3 – 12, Extra large sizes UK 12½ – 15**

620005

HAIX® Vario Wide Fit System

HAIX® Climate System

HAIX® Composite toe cap

## Upper Material

Waterproof Leather, hydrophobic, breathable, 1,8 – 2,0 mm thick.

## Inner Lining

GORE-TEX® Extended; waterproof and highly breathable. Abrasion-resistant lining with optimized climate comfort, especially for flexible alternating inside and outside use.

## Insert

Comfortable, cushioning and moisture repellent. Separate heel shape for good cushioning and foot insertion. "AIRFLOW" channels. „Perfect-Fit“ mark for an optimal verification of the correct shoe size.

## HAIX® Anti Slip

Very good grip on different terrains by profile configuration and use of a special rubber.

## HAIX® Protective sole

Flexible, lightweight and metal-free sole.

## Sole

Modern, light weight and sporty sole construction with rubber/PU street/terrain tread, abrasion-proof, for enhanced toe-to-heel support, ideal for cold weather conditions. The lightweight PU cushioning wedge provides optimum wear comfort. Excellent thermal insulation. The non-marking outer sole is resistant to heat and fuel-oil.

## HAIX® Composite toe cap

Anatomically formed and ultralight protective toe cap made of fiber-reinforced plastic for highest safety requirements.

## HAIX® Climate System

The HAIX® Climate system uses the pumping movement, which permits air circulation with every step – warm air is released through the Micro-Dry lining at the top of the boot leg.

## ESD

Electrostatically conductive footwear tested according to DIN EN 61340-4-3:2002.

## HAIX® Vario Wide Fit System

The width of the shoe can be individually adjusted by 3 different insoles. The shoe is supplied with a red insole (medium). A yellow insole (wide) and blue insole (narrow) can be ordered separately.

## Sun Reflect

Reduces the heating effect of the upper leather by direct sunlight. Sunlight is reflected by the leather, keeping the leather and the feet cooler.

## Others

Low weight, antistatic, metal-free, pulling strap
